1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer and my water/sewer bill is already tremendously high every month for the services I get.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am against ANY increase to TCWS at this time. This would be the third significant increase in 6 years. TCWS should not be awarded this increase as the level service provided -- from water and sewer to customer service is substandard. I object to this increase as an 18% increase was awarded in 2010, and no significant upgrades to our outdated system have been made.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Yes
